

INTRODUCTION FOR EVENTS

HIGH SCHOOL: Wilbur Sargunaraj is a musician and Cultural Intelligence Facilitator. He is the director of CQ World Wide Consulting. Wilbur was born in a small prairie town on Treaty 7 territory in Alberta, Canada and grew up in rural South India. Throughout his life he was constantly challenged to develop new friendships in various cross-cultural settings. Wilbur offers Cultural Intelligence events inspiring people through music and stories to build bridges and become culturally intelligent Simple Superstars.

ELEMENTARY: Wilbur Sargunaraj is a musician and someone who loves helping people make friends from different cultures! He was born in a small prairie town on Treaty 7 territory in Alberta, Canada and grew up in rural South India. He has a simple message that “Every person no matter how simple or small has something precious and powerful to give to the world. He loves airplanes, home-made ginger ale slushies and his favorite sport is Cricket!

ADULTS: Wilbur Sargunaraj is a musician, speaker, and Cultural Intelligence Facilitator. His years of cross-cultural experience, combined with his genuine love for connecting with people from diverse backgrounds, have given him a unique voice in the field of CQ (Cultural Intelligence)

Wilbur has pioneered a series of interactive and ground-breaking CQ concert events, exhibitions and workshops. His focus is on helping individuals and organizations navigate today’s multicultural complexities by sharing valuable knowledge and fascinating anecdotes from his journeys. Wilbur was born in a small prairie town on Treaty 7 Territory, Alberta, Canada; grew up in sweltering Tamil Nadu, India; and now resides in the freezing Canadian Prairies. He is a cricket lover, aurora borealis hunter, chicken 65 eater and cardamom tea drinker!
